BACKGROUND AND LEGISLATION

Background

The Education and Care Services National Regulations 2011 require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2)(k)).

It is intended that all eligible children (refer to Definitions) will have access to one year of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians.

As an Independent Service Provider in the City of Casey, HPCK refer Kindergarten enrolment enquires to the City of Casey's Central Enrolment Scheme (CRES). The CRES supports families to identify their three local kindergartens of choice and participate in the allocation process in a transparent and fair manner.

The Central Registration System (CRS) currently registers children for 5 hours of funded sessional three-year-old kindergarten.

Within CRS is an online kindergarten parent portal where parents can register their child for kindergarten and manage all aspects of the kindergarten registration, including updating details, selecting preferences, and accepting offers.

Parents who are unable to access online facilities and who do not have an email address can complete all processes on paper forms.

All forms are available on the City of Casey website to download update-your-kindergarten-registration. Relevant forms can also be obtained by calling the City of Casey Customer Service Centre. Customer Service will post the forms to the parents if required.

The City of Casey will:

- Process all Hampton Park Community Kindergarten registrations received prior to (and including) the 30 April of the year before children turn three years of age in first round offers. Registrations received after this date will be processed in subsequent rounds.
- Apply a Priority of Access based on the criteria set by DET and City of Casey local criteria to all kindergarten registrations in the CRES.
- Provide the Hampton Park Community Kindergarten with the children's details when offers are sent and when a place is accepted at the end of each round to enable the Hampton Park Community House (HPCK) Director of Children's Services to communicate with families regarding further actions required and commencement with HPCK.
- Work to ensure awareness of and access to ESK and KFS for all eligible children.

The Provider Hampton Park Care Group Inc. abides by the Family Assistance Legislation Amendment (Child Care Rebate) Act 2011 (refer to Legislation and standards) and the Commonwealth Government's Priority for allocating places in child care services (refer to Sources).

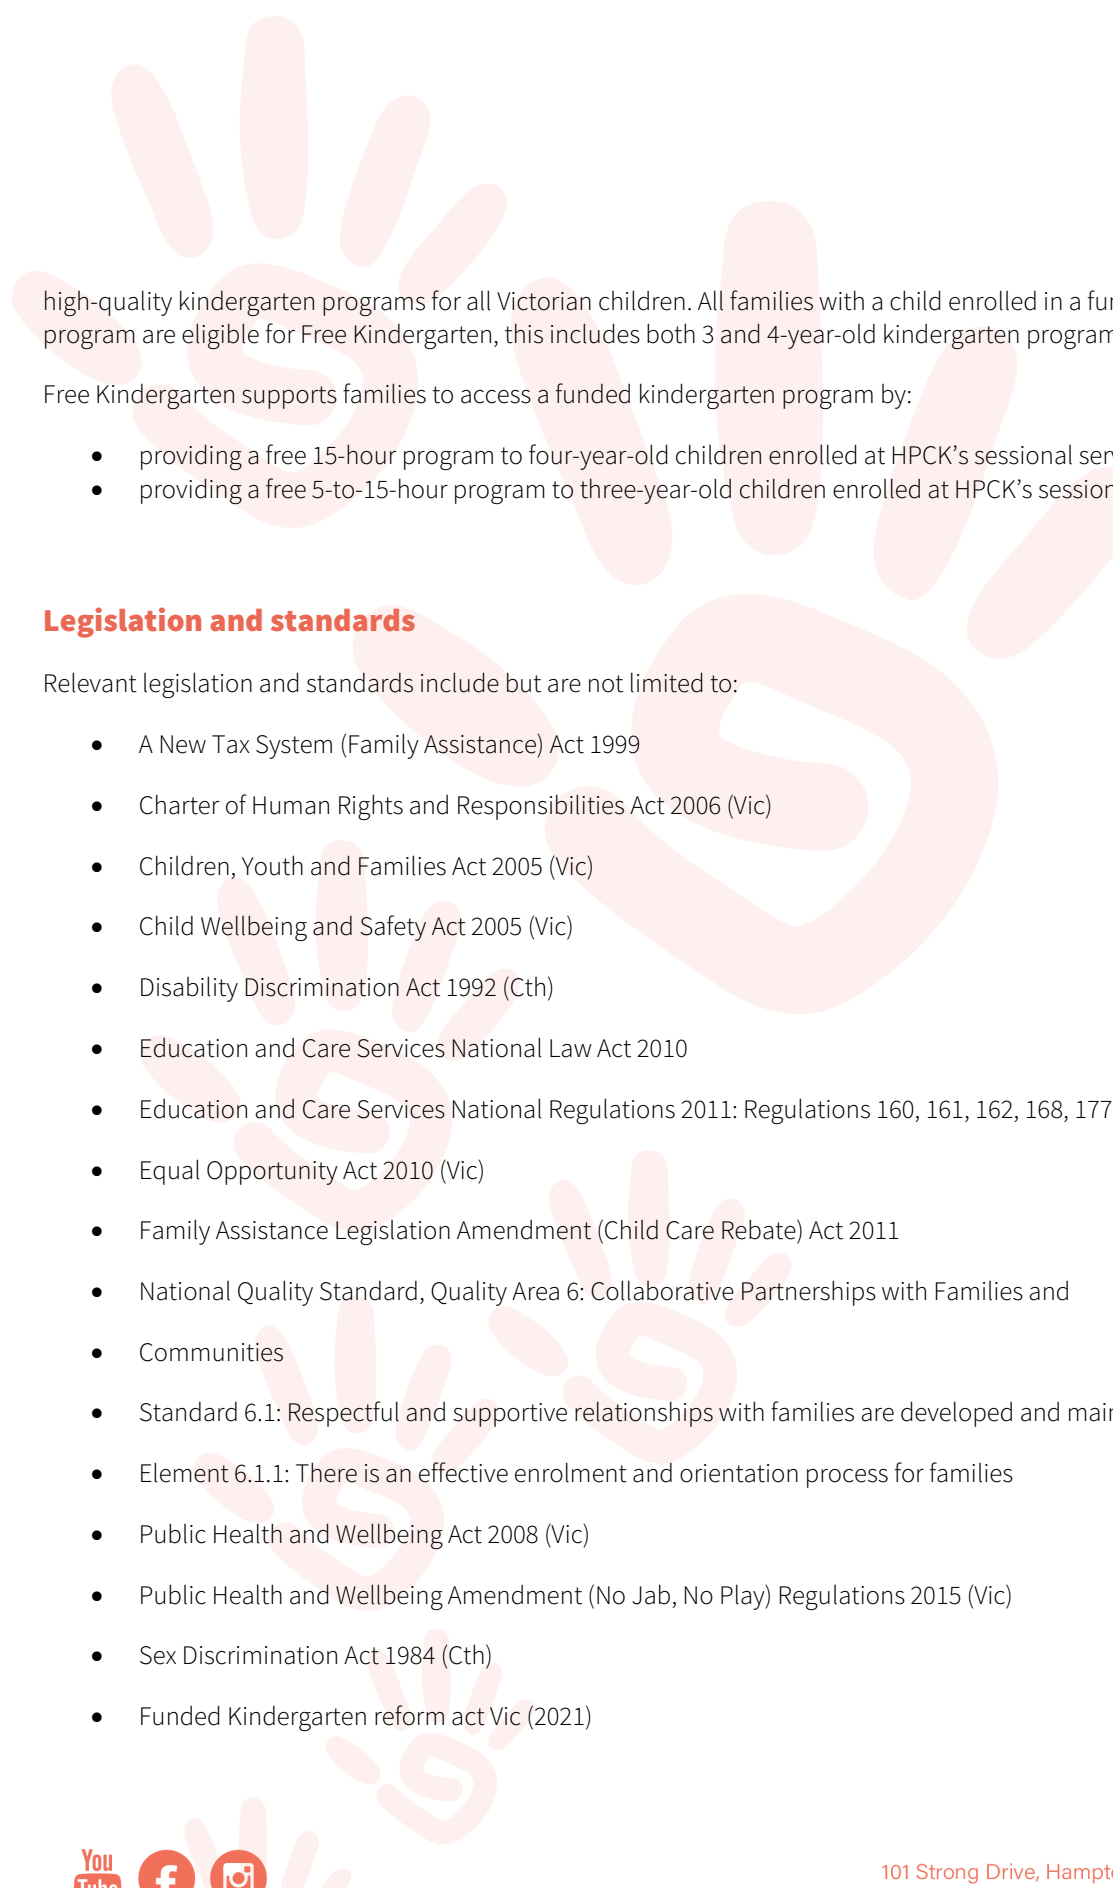

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. As and early childhood education and care service regulated under the Education and Care Services

National Law Act 2010, Hampton Park Community Kindergarten has legislative responsibilities under the Public Health and Wellbeing Act 2008 to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to Definitions).

FREE KINDERGARTEN

The Best Start, Best Life reform will help all Victorian children dream even bigger through increased access to quality early childhood education and care. A critical part of the reform is Free Kindergarten, which will support access to two years of

high-quality kindergarten programs for all Victorian children. All families with a child enrolled in a funded kindergarten program are eligible for Free Kindergarten, this includes both 3 and 4-year-old kindergarten programs.

Free Kindergarten supports families to access a funded kindergarten program by:

- providing a free 15-hour program to four-year-old children enrolled at HPCK's sessional service.
- providing a free 5-to-15-hour program to three-year-old children enrolled at HPCK's sessional service

DEFINITIONS

The terms defined in this section relate specifically to this policy.

Acceptable immunisation documentation: documentation as defined by the Immunisation Enrolment Toolkit for early childhood education and care services as acceptable evidence that a child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

Approved care: Care given by a service provider that has been approved by the Family Assistance

Office to receive Child Care Benefit payments on behalf of eligible families. Most long day care, family day care, before-and-after school care, vacation care, some occasional care and some in-home care childcare services are approved providers. Details are available at:

www.familyassist.gov.au/payments/family-assistance-payments/child-care-benefit/

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form. The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

Deferral: When a child does not attend in the year when they are eligible for a funded kindergarten

place, or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

Eligible child: A child attending an early childhood education and care service as described in the Immunisation enrolment toolkit for early childhood education and care services or a child in a kindergarten program who meets the requirements of both The Kindergarten Guide and the Immunisation enrolment toolkit for early childhood education and care services.

Enrolment application form: A form to apply for a place at HPCK.
